CBSE - 10th	2014	St. Don Bosco Senior Secondary School	8.4 / 10

PROFESSIONAL EXPERIENCE

Assistant Manager **Jindal Steel and Power Ltd.** **Jul 2022 - Jan 2025**

- Conducted **cost and risk analysis for ₹2700+ Cr**, CRM Complex, securing insurance & strengthening risk management for project
- Improved **capital budgeting & cost control by 12%** via budget forecasting and variance analysis for pickling plant operations
- Prepared **LIE Reports for ₹2700+ Cr CRM Complex**, improving lender visibility, enabling timely disbursements & financial reporting
- Coordinated with **50+ global and domestic suppliers**, ensuring 98% on-time supply, reducing working capital blockage risks
- Improved **OTIF by 25%** through MIS integrating sales & production data, strengthening demand-supply financial alignment
- Achieved **₹80 Lakhs cost savings** via belt conveyor design changes, improving asset utilization and reuse efficiency by 20%
- Led execution of **₹ 64+ Cr greenfield project** - 0.6 MTPA Pickling Line, delivering in 6 months, 20% faster than industry average
- Managed **7000+ tons logistics** worth ₹ 2000+ Cr, ensuring >98% OTIF via supply chain transformation & stakeholder alignment
- Managed **₹ 180+ Cr project schedules** via SaaS-based platform, Realization, reducing delays by 18% & improving quality
- Developed an **MIS system** for production planning, enabling data-driven decisions and boosting reporting quality by **20%**
- Implemented QR-based steel coil tracking system, improving material traceability & enhancing operational efficiency by **30%**
- Managed **1,400+ ton equipment setup** with 100% safety compliance, leading operations, risk mitigation & stakeholder alignment

Graduate Engineer Trainee **DCM Shriram Ltd.** **Jul 2021 - Jul 2022**

- Optimized plant operations through **₹9 Cr Capex** in strategic sourcing & commissioning, boosting production output by **12%**
- Saved **₹1.2 Cr/year** by leading a CFT on the feasibility study of screw vs reciprocating compressors for optimal efficiency
- Increased **procurement efficiency by 18%** and cut **₹50L/year** inventory costs through ABC classification & auto-indenting
- Enhanced MIS reporting on **₹70 Cr+** projects, providing leadership with actionable insights for financial decision-making
- OHS Lead**, improved risk identification & reporting by 30% via safety coordination across 5 departments and **6,000+ manpower**
- Trained shop floor operators on OHS protocols, improving quality compliance and reducing safety-related incidents by 20%
- Reduced accident risk by 50% by eliminating safety concerns through the standardization of welding machine carrying trolleys
- Conducted **HAZOP study** and trained operators & workers, enhancing hazard awareness and reducing process safety incidents

INTERNSHIPS

Mechanical Maintenance **Oil & Natural Gas Corporation (ONGC)** **Dec 2019 - Jan 2020**

- Led a project on "Mechanical seals and their applications in ONGC", optimizing mechanical seals in the oil & gas industry

Research & Development **IIT Indore** **May 2019 - Jul 2019**

- Executed research on "Numerical Study of Bottom Jet Impingement," integrating experimental trials with simulation
- Planned and coordinated lab experiments, resource allocation, and safety to ensure smooth project execution

POSITIONS OF RESPONSIBILITY

- Head - Design, SAE (Society of Automotive Engineers), leading a 24-member student team at SVNIT, Surat
- Event Head for Robo-war at "Sparsh - SVNIT Surat", led end-to-end management for 20+ participating teams across India
- Mentored 4 Robo-war teams, guiding design and strategy, nurturing talent and teamwork, and enhancing event competitiveness
- Led chassis design as Design Head for Formula Bharat 2020, a National-level FSAE event, ensuring performance & reliability

ACHIEVEMENTS

- Employee of the Month** - April 2024, among **6000+** employees at Jindal Steel & Power Ltd, for exceptional leadership skills
- "Pat on the Back" Award**, DCM Shriram Ltd, recognized for outstanding contribution to process improvement & team collaboration

CERTIFICATIONS

- Lean Six Sigma Green Belt Certification - by Grant Thornton - Jun 2025
- NISM Series XV - Research Analyst Certification, by National Institute of Securities Markets (SEBI) - Aug 2025
- Certified in SQL for Finance Professionals - by NASBA (National Association of State Boards of Accountancy)
- Certified in Financial Modeling and Forecasting Financial Statements - by National Association of State Boards of Accountancy

EXTRA-CURRICULAR ACTIVITIES

- Represented NIT Surat at Formula Bharat 2020, contributing to the design and engineering of a high-performance formula car
- Coordinated crowd management & community services for 5,000+ people at JSP Rath Yatra, fostering community engagement
- Designed and launched [mba-roi-calculator.vercel.app](#), a finance website computing ROI and payback on MBA investments
- Competed in a Chess tournament, Major Dhyan Chand Trophy - IIM Visakhapatnam
